EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Brian Rosenbloom on June 4, 2007.

The application has been amended as follows:

In the claims:

Claims 2 and 46-54 have been canceled.

Claim 1, last line, after "the trigger message", --, wherein the video subsystem is configured to transmit the video image specification so that it is received by the second transmission system, and the second transmission system is configured to generate a video image conforming to the video image specification and transmit the video image along with a sound recording received from the first transmission system to the one or more audio/video receivers-- has been inserted.

Claim 3, line 1, "The system of claim 2" has been changed to -- The system of claim 1--.

2. The following is an examiner's statement of reasons for allowance: the prior art does not teach or fairly suggest a system as variously claimed. Particularly, the prior art does not teach or fairly suggest the features of "wherein the video subsystem is configured to transmit the video image specification so that it is received by the second transmission system, and the second
